Sitges Vibrant and Innovative

Why Sitges

Sitges is a Mediterranean town located just 30 minutes from Barcelona and 20 from its International Airport. It's a trendsetting destination with personality, in a safe residential environment.

Sitges is a destination of creative energy, tradition and singularity, with hundreds of years of rich culture and an open, free-thinking mindset. We pride ourselves on being an open and welcoming town. This principle will remain at the heart of the work we do and the support we offer you. Sitges is a fascinating destination to host your meeting, your congress or your convention.

Quick look:

- ✓ 30,000 inhabitants
- ✓ 300 sunny days - 18.7 °C / 65.5 F
- ✓ 3 Marinas, 26 Beaches, 1 Nature Reserve
- ✓ 5 Museums
- ✓ 1 Research center: Institute of Robotics for Dependency
- ✓ 1 University: IAB – Institute of the Arts Barcelona.
- ✓ Higher Technical School of Telecommunications and Aeronautical Engineers, The International Centre for Numerical Methods in Engineering and other Universities nearby.

Sitges is close to you!

From Barcelona: The BusGarraf company operates a service between the towns of Sitges, Vilanova i la Geltrú, Sant Pere de Ribes and the city of Barcelona. Not all of them stop at the airport. The Barcelona bus service starts at Gran via de les Corts Catalanes, 588. There is another stop on Carrer Sepúlveda and another one in Plaça d'Espanya square. In Sitges, you can find the bus stop opposite Can Robert park, on Avinguda Vilanova, 14. - <https://busgarraf.cat/en/> - Tel. +34 93 893 70 60

From Josep Tarradellas Barcelona-El Prat Airport: BusGarraf company located outside Terminal 1 (T1). If you arrive at Terminal 2 (T2), you will need to catch the free airport bus which takes you to T1 (the journey is 4 km and the time is between 10 and 15 minutes). The bus stop for the T2 to T1 line can be found underneath the bridge, outside T2B and buses arrive every 7 minutes 24 hours a day. - <https://busgarraf.cat/en/> - Tel. +34 93 893 70 60

From Reus Airport (Tarragona): There is no direct connection between Reus Airport and Sitges. However, the Hispano Igualadina bus company does offer transport services from this airport to Barcelona (Sants Station) and vice versa. The journey lasts between hour and 30-45 minutes. Once at Sants Station you will need to take a train to Sitges (see getting to Sitges by train). - www.igualadina.com - Tel. +34 977 77 06 98

From Girona Airport (134 km/1 hour 45 mins.): There is no direct service between Girona and Sitges either. The Sagalés transport company provides a connection between Girona Airport and Barcelona city centre (Barcelona Nord bus station). From there you can take the metro to railway stations that serve trains calling at Sitges. Leave the bus station via the "Sortida Nàpols" exit and go to the Arc de Triomf metro station (L1, red line, which is the closest station (5 to 10 minutes on foot). The cost of a ticket from Girona Airport to Barcelona is €14 and the journey takes around 75 minutes. www.sagales.com - Tel. +34 902 361 550/+34 902 130014

The airport train station is located in front of Terminal T2, accessible via a walkway. There is also a (free) Bus transit transfer service which runs between the station and Terminal T1.

To get to Sitges from the airport, you will need to change at El Prat de Llobregat station and catch a train to Sitges in the opposite direction. Itinerary: Airport - El Prat de Llobregat (1 stop). Going from the airport, from 05:42 to 23:38. Every 30 minutes. Change onto R2 Sud line. El Prat de Llobregat - Sitges. Trains every half an hour. Travel time: 24 minutes.

From Barcelona Paseo de Gracia or Barcelona Sants railway stations you have the 'Cercanías'/'Rodalies' local rail line R2-Sud. You can check timetables at www.renfe.es. There is a 35 minutes train ride from Barcelona city center, with trains every 15 minutes throughout the day.

Sitges Smart destination

Sustainable development

The Sitges Town Council, as the town's principal representative, has made a commitment to promote a tourism model based on environmental, cultural and socioeconomic sustainability, bearing in mind that both its residents, and a large number of visitors and tourists live and coexist in Sitges.

Sitges has a sustainable and accessible urban design, that together with the environmental sustainability, the use of the technology, the social cohesion, the efficacy of the healthcare system and the citizen safety, makes Sitges a Smart Friendly Destination for your Congress or your Convention.

Walkable City

Travelling around Sitges could not be easier. Visitors can walk around the city and stroll its streets. All the main infrastructures are at a short walking distance. In addition, Sitges offers ample parking spaces and an affordable and equitable public transportation system, with good connectivity and easy access.

Sitges Sustainable Tourism

Since 2006, Sitges has a **responsible tourism policy** approved by the local council. In 2023 Sitges has once again renewed the Biosphere Destination certification, Gold category, in recognition of the joint work done by the administration and local businesses, which reinforces the work done to implement a **sustainable development model structured on the basis of the 17 SDG established in the 2030 agenda**.

Biosphere certificate accredits the sustainability of both destinations and their companies, and it is endorsed by the World Tourism Organization. The destination and 32 companies and tourist attractions in Sitges, as well as its beaches, the Garraf Park, the Sitges – Aiguadolç Marina and the Terramar Golf Club, among others, are currently aligned with the Biosphere sustainable commitment.

Smart destination, Sitges joined in 2022 the Network of Smart Tourist Destinations, a project of the Secretary of State for Tourism to improve the competitiveness and digitalization of the tourism sector.

Green and Sustainable events, Sitges Legacy

Run an inspiring event in Sitges and take it to the next level. **The destination has a wealth of sustainable event spaces and hotels.** Take advantage, contact us and we will advise you to organize it, and consider **the best ways to reduce your event's carbon footprint** and return legacy. The Sitges CB will be happy to help you!

Sitges Meetings, Congresses, Conventions and Events

Leading destination

Sitges is the number two destination in Catalonia for hosting mice tourism, a sector that represents 40% of the annual roomnights for the town, according to data provided by "Gremi d'Hostaleria de Sitges" (Sitges Hostelry Guild).

An average of 600 meetings are held each year, out of which 50% are international. The main countries selecting Sitges for their events are the United Kingdom, Germany, France, Benelux, Scandinavia, the United States and Canada, although we are receiving meetings from emerging markets such as Asia. The pharmaceutical, IT, Insurance, Automotive, Banking and other industries such as textile, food and sports are the most relevant sectors that select Sitges as their preferred destination to host their events.

Sitges, Specific Automotive and Mobility Activities

The Barcelona-Sitges International Vintage Car Rally is one of the most well-known and oldest events of its kind in Europe. Its 64th edition was held this 2022.

Autobello Barcelona is a competition of elegance. Geared towards collectors of the world's best cars and luxury watches, it is the meeting point for motor enthusiasts and sector celebrities. It is held three times a year: at the Terramar Golf Club (Sitges), in Madrid and elsewhere in Spain.

The International Mobility Congress (IMC) was held in Sitges for two consecutive years, organized in a context of public and private collaboration, with the participation of the AMTU (Associació de municipis per la Mobilitat i el Transport Urbà-Association of Cities for Mobility and Urban Transport), whose president is the Mayor of Sitges, Aurora Carbonell, and our country's public transport industry. A professional meeting point to understand new mobility, making it safe, inclusive and sustainable.

Sitges Other Specific Automotive Venues

Terramar Racetrack: the only permanent former oval racing circuit in the world. It dates back to 1923 and has become a worldwide motorsport benchmark. It is the fourth oldest track in the world, following those of Brooklands (1907), Indianapolis (1909) and Monza (1921). It was the first circuit to be built in Spain and the third in Europe.

www.autodrom-terramar.com/

Idiada: provides design, testing, engineering and standardization services for the world's leading vehicle manufacturers. Opened in 1994, its test tracks are considered by many to be the best test tracks in Europe. A 370-hectare facility created for shared use, where safety and confidentiality are their top priority.

Sitges Ephemeral, non-conventional spaces

Sitges at your fingertips, all its available venues: the Paseo Marítimo Seafront Promenade, the Terramar Gardens, Hort de Can Falç Park, the Museums, the Cava del Retiro Club, the Race Track, the Wineries, the Autodrome of Terramar, Idiada, the Railway Museum, the Sitges Marina, the Beaches, the Atlantida esplanade, the Garraf Nature Reserve, the Prado, the Retiro, etc.

Take your event to the next level by taking full advantage of the town's expertise, infrastructure, natural resources and state-of-the-art venues.

You imagine it and the Sitges CB will be happy to help you to organize your event in Sitges.

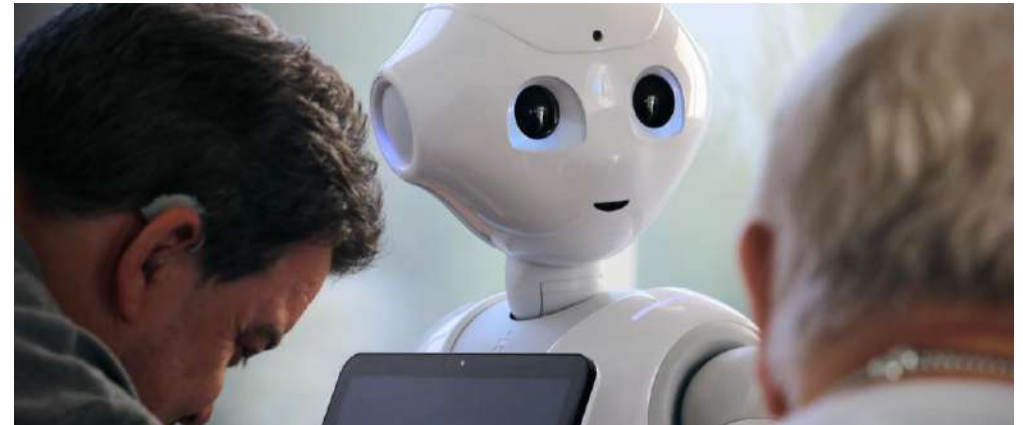

Sitges Legacy

Events are an opportunity to generate a legacy in the society, economy or environment of the host community. This socio-economic legacy not only benefits the community, but also the event, fostering a deeper connection between the attendees and the destination. No matters if it's a 1200 people congress or a 14 people meeting, the importance of giving back to the place is the same.

The best way to define a legacy is to work side-by-side with the destination. **Contact us, at the Sitges CB we will be very pleased to help you.** Once we have identified the needs, we will be able to define what legacy you want to leave. We will help you to achieve the positive footprint of your event, there are proposals that delve into the field of social sustainability with educational and volunteering initiatives, environmental or cultural activities, improvements in public health, donation of material or surplus food, etc.

Small actions can create big changes!

Happy to help you!
